Leader in portable wind speed measurement instrumentation

## Certificate of Authorization

14 December 2011

To whom it may concern

On the above date, JDC Electronic SA confirms that Meteoinstrumenty LLP is an authorized distributor representing JDC Electronic weather/meteorological products in Kazakhstan. This agreement enables Meteoinstrumenty LLP to sell and service all our weather products and accessories throughout Kazakhstan.

JDC Electronic SA pledges its full support in supplying Meteoinstrumenty LLP with all necessary technical and product assistance. It is also noted that Meteoinstrumenty LLP has the technical expertise and capabilities to maintain the JDC Electronic warranty and has shown that it is a reliable and efficient source for post-sales service.

Please note that JDC Electronic will continue to conduct business in accordance with its standard terms and conditions. JDC Electronic reserves the right to change the conditions of this agreement at any time

Yours sincerely

Markus Schneider  
Managing Director  
JDC Electronic SA
